Goals of the Parkland Judo Academy:

The primary goal of the Parkland Judo Academy is to foster a lifelong interest in physical and mental wellbeing through Judo. Secondary to this are the following objectives:

- To provide equal opportunities for recreational and competitive training in Judo for both female and male participants.
- To provide a high level training program with the objective to develop competitors for both provincial and national level competition.
- To provide adult mentorship and positive role modeling to students through collaborative training and participation.
- To provide meaningful opportunities for participants to connect positively with the other local schools and community.
- To facilitate connections with international judo clubs and practitioners.

Classes:

Academy students will enroll in one Judo Academy block per semester to be part of the program. In their remaining blocks, the students will be in classes with the rest of their peer group working towards completion of graduation and post-secondary entrance requirements.

While participating in the academy, the students will meet the learning outcomes of the Physical Education curriculum as well as the outcomes within Judo. The instructional time (approx. 120hrs/course) will be divided between the dojo (training area), classroom and community.

Parkland Judo Academy students will meet daily. The week will comprise of three days in the dojo, one day in the classroom and one working on their individual fitness goals. The student's work ethic and personal commitment will have a significant impact on the success of this program.

Facilities

Academy classes will primarily use the mezzanine at Parkland. There will be occasional trips to the Victoria Judo Club for collaborative learning with other instructors and judoka.

PARKLAND JUDO ACADEMY

Instructors

Within western Canada, Parkland is in a unique position to offer Judo within a school setting. Mr. van Erp is the head instructor at the Parkland Judo Academy. He holds the rank of Shodan (1st degree black belt) and has been actively practicing Judo since 2004. Mr. van Erp holds a level 2 Dojo Instructor coaching certification and is a recognized board member of the Victoria Judo Club. Mr. van Erp trained under two Canadian Rokudans (6th degree black belt), Mr. Henry Boas and Mr. Mickey Fitzgerald.

As of 2004, Mickey Fitzgerald, Founder of the Parkland Judo Club has been recognized with the rank of Rokudan (6th degree black belt) by Judo Canada and the Kodokan Judo Institute (the founding school and international center of Judo). This achievement reflects his success as a competitor in both Canada and Japan, as the head instructor at both the Victoria and Parkland Judo clubs, his 43 years as a Judoka and his lifelong commitment to the Judo community. Mr. Fitzgerald also holds a Level 2 NCCP coaching certification in Judo and is a member of the Judo BC grading board. Mr. Fitzgerald offers a rare level of expertise for any Judo club and a unique level of skill within Canada.

Since its inception, the Parkland Judo Club has produced four black belts, a significant commitment of time and dedication usually requiring ten years of study to achieve. These black belts have often returned to the club to share their expertise and passion for the sport. Spencer Gray (Principal of S.I.S.P) is a guest coach of the club and one of the successful black belts to come through Parkland Judo. Parkland Judo Academy is uniquely positioned to have support from several staff and returning members of the club.
